### *No plastic bags please!*

**Aluminum Cans** – Empty aluminum cans used for drinks or food. Rinse and crush if possible.

**Glass Bottles and Jars** – Empty glass bottles or jars (clear only/no colors). Labels okay. No caps or lids.

**Newspapers** – Clean and dry newspapers (including inserts). No string or twine. It's okay to put the newspapers inside a paper bag.

**Plastic Bottles** – Empty bottles such as water, soda or mouthwash bottles. Rinse and crush if possible. No need to check for a number—just “*check for a neck*” (i.e., an opening smaller than the base). Bottles only; no tubs, cups or bags. Labels okay. Caps okay but remove the cap from the bottle so that liquids dry out. Place the cap and the bottle in the bin. **(NEW!)**

**Steel (Tin) Cans** – Empty steel cans used for food such as soup or vegetable cans. Labels and lids okay. No aerosol cans or paint cans. Rinse if possible.

**NOTE:** Please take **Phone Books** to a convenient [drop-off site for phone book recycling](#).
