How to Recycle MORE!

Thank you for recycling! Your efforts truly do make a difference. **Here's how you can recycle MORE—no matter where you live in Pinellas County:**

✓ No curbside?

Do you live in an area without municipal curbside recycling, such as unincorporated Pinellas or Redington Shores? You can:

- 1) Use drop-off recycling sites (click for [map](#)).
- 2) Sign up with a private recycling company (see “Curbside Recycling Options” at right).

✓ Limited recycling available?

Do you want to recycle more than your city collects? For example, if your city's program doesn't include glass or paper items, you can:

- 1) Use drop-off recycling sites (click for [map](#)).
- 2) Sign up with a curbside recycler for supplemental service (see “Curbside Recycling Options” at right).

✓ Live in an apartment or condo?

Do you live in a multi-family unit that doesn't provide recycling? You can:

- 1) Encourage your leasing or management company to set up a program.
- 2) Use drop-off recycling sites (click for [map](#)).
- 3) Sign up with an on-site recycler (see the [ABC List](#) for [Apartments](#), [Businesses & Condos](#)).

✓ Want to recycle at work?

You and your co-workers can recycle on the job:

- 1) See [Cutting Waste at Work](#) to find free resources for setting up a program.
- 2) Collect items such as cans or paper, and take turns transporting them to the closest drop-off recycling site (click for [map](#)).
- 3) Sign up with an on-site recycler (see the [ABC List](#) for [Apartments](#), [Businesses & Condos](#)).

✓ Want to do more?

Want to recycle more than cans, bottles, and paper? Find out how to recycle just about anything with our [A to Z Guide](#) that lists over 250 items, including:

RECYCLING GUIDELINES

No plastic bags please!

▶ PAPER BIN

Cardboard – Clean, empty, dry corrugated (3-layer) cardboard boxes or packaging. Please flatten boxes. No pizza boxes.

Mixed Paper – Any clean, dry paper item that tears, such as white or colored paper, shredded paper, office paper, magazines, catalogs, phone books, junk mail, envelopes, wrapping paper, and paperboard items such as cereal boxes or paper towel rolls. No paper towels or tissues.

Newspapers – Clean and dry newspapers (including inserts). No string or twine. It's okay to put them inside a paper bag.

Phone Books – Included with mixed paper. Remove plastic wrap, bag, or magnets.

▶ CONTAINER BIN

(Please rinse & crush items if possible)

Aluminum Cans – Empty aluminum cans used for drinks or food (such as soda or cat food cans).

Plastic Bottles – Empty plastic bottles with a “neck” (opening smaller than the base) such as water, soda, shampoo, or ketchup bottles. No need to check for #1 or #2—just “check for a neck”. Bottles only; no tubs, cups, or bags. Labels okay. No caps or lids.

Steel (Tin) Cans – Empty steel cans used for food such as soup or vegetable cans. Labels and lids okay. No aerosol cans or paint cans.

▶ COOKING OIL TANK

*(only at sites marked *)*

Cooking Oil – Used liquid cooking oil (such as oil from a turkey fryer). No solids or motor oil.
